Volume 22-23

JUNE 2023

Bulletin No. 10

My Fellow Legionnaires,

We had a beautiful Memorial Day Weekend with many parades and ceremonies throughout the State that many of us had the honor of participating in honoring and remembering those who made the ultimate sacrifice . May we never forget.

During the month of May I have had the pleasure of attending the spring meetings in Indianapolis with Team Connecticut in support of our 2024-25 National Commander Candidate Jim LaCoursiere and after returning home I had the honor of attending and presenting the Athletic Awards at the USCG Academy with National Vice Commander Ken Hylton from Indiana who presented the Academic Awards. While there I did my best to show our guests some good ole Connecticut hospitality with Dinner at Flanders Fish Market and a visit to Niantic Post 128. I accepted the invitation from Department Commander Dave Riley to attend the Department of New York Family Welcome Home at Vernon Downs Hotel with Department SGT AT ARMS Bill Gibbs. Great Camaraderie and fun with our neighboring Departments!

Our 2022-23 year is coming to a close for this Short Timer and I thank all of you for electing me to serve as your Department Commander, It is truly an Honor and I think we had a great year together (ALL HANDS ON DECK) but please let's give a final push and achieve that 100% Membership and make it a greater year, Thank you my fellow Legionnaires!

American Legion Department of Connecticut Convention is fast approaching and I hope to see you there as we welcome in the Leadership for the 2023-24 year let's work together to build for our future and have a great upcoming year, Thank you again as I truly enjoyed my year attending the meetings, ceremonies and events at the many Posts and locations as well as representing us throughout our State and beyond, It's been an honor!

WE SHOULD ALL REMEMBER THAT THE FOUNDATION OF OUR FOUR PILLARS ARE THE POSTS. LET'S DO THIS TOGETHER AND MAKE THE FOUNDATION FOR THE DEPARTMENT OF CONNECTICUT STRONG FOR TODAY, TOMORROW AND THE FUTURE.

WE ARE VETERANS SERVING VETERANS

SR VICE COMMANDER

MESSAGE

Fellow Legionnaires,

As we close out this year, I have learned much from my travels to National, and our districts and posts around the Department.

I've met some terrific Legionnaires, who give much of their time, effort and even their own money to continue the mission of The American Legion, as well as support our Four Pillars. They have made this a positive year for me, and these members belong to the most successful posts in Connecticut.

I am also sorely disappointed in the finish to our membership numbers in the department. One of our Pillars is support of veterans and their families, and one of the most effective ways is through Buddy Checks. This is a connection to members (and veterans) of the Legion, which helps those who may not have the time or the ability to attend meetings and/or post activities. It reminds them that we have their back and are there for them. Two major lessons I learned this past year that I leave for the future.

The first is that Buddy Checks should begin in July. Even if your Post does not meet in the summer, contact your members, make sure they are doing well, and be sure they have the schedule of any events the post has planned for the summer and fall months. If you have your own post, have a coffee hour, where members can come in and just sit and enjoy each other's company. If you don't have a post home, meet somewhere to relax, and just shoot the breeze...take advantage of the warm weather. By starting Buddy Checks now, the members will be reminded of dues when they receive their renewal notices.

The second lesson learned is that each district should schedule a revitalization in September. These calls can be a combined "dues owed" reminder, as well as reminding members of meetings and post activities being held in the fall/winter. In addition, districts need to take advantage of training opportunities offered by our Membership, Leadership & Learning sub-committee, led by a future leader Mike Kellett. Schedule a training topic for your district meetings, just a 15-minute review of a topic that is suggested by a district officer or member.

I will leave you with this reminder: engage your membership and have fun doing so. We are all volunteers, and if we are not having fun, what is the point? Challenge each other, whether posts or districts and share all ideas that work for your membership drives. They may not work for everyone, but if someone benefits, we all win. I look forward to seeing you all in future years.

Remember, I am only a text, call, or email away. Please contact me for any help or ideas.

Fellow Sons,

We have accomplished some great progress over the years, we were hit head on with the largest pandemic in many years, COVID, and we kept fighting the best we could. I would personally say thank you to all the squadrons, all Sons of The American Legion and most importantly, the reason we are all here Every Veteran in our great State of Connecticut.

Convention will be held July 15-16, 2023, at the Trumbull Marriott. This is open to all paid to date SAL members, there is a \$5.00 registration fee per member. We ask squadrons that plan to attend, to please send to the Department the names of each member attending with a \$5.00 registration fee per member. This will speed up the process and make check-in less complicated. Commanders and our Adjutants this will be the best time for you to receive your 2023-2024 Membership Cards, please plan on attending.

I truly hope to see all squadrons at convention as we elect a brand-new administration to keep our program of The American Legion going strong to assist them on whatever needs to be accomplished.

In our Father's Footsteps,

Richard Kilby
Detachment Commander

FIVE THINGS TO KNOW

1. [Large-scale aerial drills are underway again over the Korean Peninsula](#), nearly a month after South Korea carried out similar training with the United States. More than 60 South Korean aircraft are taking part in the weeklong, biannual Soaring Eagle exercise that kicked off Friday. It consists of aerial combat scenarios, ground-to-air missile simulations and aerial refueling training, according to a Ministry of National Defense news release.
2. [China sentenced a 78-year-old United States citizen to life in prison Monday](#) on spying charges, in a case that could exacerbate the deterioration in ties between Beijing and Washington over recent years. Details of the charges against John Shing-Wan Leung, who also holds permanent residency in Hong Kong, have not been publicly released.
3. [Defense budget work on Capitol Hill remains halted until Congress finds a compromise on the looming debt limit crisis](#). House Armed Services Committee members were supposed to begin public work on their initial draft of the annual defense authorization bill last week, but Republican leaders halted those plans until sometime next month. Senate lawmakers similarly have pushed back the defense policy work until mid-June, after they see what political deals are made in the next few weeks.
4. [President Volodymyr Zelenskyy was in Britain Monday on his whirlwind European tour](#), as the staunch ally of Kyiv promised to give Ukraine hundreds more missiles and attack drones in an effort to change the course of the war. Zelenskyy landed by helicopter at Chequers, the British leader's official country retreat, and was greeted by Prime Minister Rishi Sunak. It's Zelenskyy's second trip to the U.K. since Russia invaded Ukraine in February 2022.
5. [American investors plan to develop facilities at a former U.S. naval base in the Philippines that could include the installation's airport](#), according to Philippine government news outlet. Cerberus Capital Management, a New York-based private equity firm, took control of a large shipyard in Subic Bay last year. Eight hundred Philippine navy sailors are now stationed in part of the installation, the government-run Philippine News Agency reported Friday.

FROM THE LANDING ZONE:

Amid Ukraine war, Poland becomes critical U.S. ally

By Alan W. Dowd

Thrust to the frontlines of Cold War II by Vladimir Putin's invasion of Ukraine, Poland is taking its place as an essential cog in the NATO alliance, a major contributor to the common defense and a key U.S. ally.

Prior to February 2022, Putin attacked and occupied swaths of Georgia and Ukraine, threatened nuclear strikes against [Norway](#), conducted cyberattacks against America's energy [infrastructure](#) and food-supply [infrastructure](#), waged cyberwar against [Estonia](#), shut off natural-gas flows to [Ukraine](#), [Bulgaria](#), Croatia, Czech Republic, Greece, Italy, Romania, Slovakia, Slovenia and Turkey, attempted a [violent coup](#) aimed at preventing Montenegro from joining NATO, and trained his sights on Poland.

Poland will "know what it means to be in the crosshairs," Putin growled after his seizure of Crimea. Russian forces have practiced amphibious invasions of [Poland](#), complete with mock nuclear strikes. Putin has based hypersonic missiles and sea-skimming antiship missiles in Kaliningrad, a Russian exclave bordering

Poland. He recently announced plans to deploy nuclear weapons in [Belarus](#). Indeed, for more than decade, Putin and his puppet state in Belarus have launched "snap" military [exercises](#) along and near Poland's borders. These are highly threatening and destabilizing. Recall that a Russian [exercise](#) in Belarus in early February 2022 served as springboard to the Feb. 24 invasion of Ukraine.

Poland is in the process of more than doubling its land forces to 300,000 personnel. Plus, the Polish Defense Ministry has launched [Train with the Army](#), a nationwide effort to equip and prepare the civilian population for territorial defense in the event that Putin attempts in Poland what he's done in Ukraine and Georgia.

"We are perceived as those who guarantee security on NATO's eastern flank," said Poland's Prime Minister Mateusz Morawiecki. "Our efforts to strengthen the army through arms purchases go hand-in-hand with strengthening NATO's presence on the eastern flank." For more of the story visit: <https://www.legion.org/landingzone>

Disaster Preparedness and Relief

Hurricanes are dangerous and can cause major damage from storm surge, wind damage, rip currents and flooding. They can happen along any U.S. coast or in any territory in the Atlantic or Pacific oceans. Storm surge historically is the leading cause of hurricane-related deaths in the United States.

Now is the time to prepare yourself and your household for the upcoming Atlantic hurricane season. During Hurricane Preparedness Week, assess your personal risk, update your family's emergency communications plan, start to replenish your emergency kit, and review your personal and financial documents.

Hurricane season runs from June 1 to November 30, but the time to prepare is now when you are not under pressure as storms form in the Atlantic. If you wait until a hurricane is approaching, the odds are that you will be under duress and might not make the best decision.

Hurricanes are not just a coastal problem. Find out how rain, wind, water and even tornadoes could happen far inland from where a hurricane or tropical storm makes landfall. [Start preparing now](#).

Make sure everyone in your household knows and understands [your hurricane plans](#). Include the [office, kids' day care, and anywhere else you frequent](#) in your hurricane plans. Ensure your business has a [continuity plan](#) to continue operating when disaster strikes.

Recognize Warnings and Alerts. Have several ways to receive alerts. [Download the FEMA app](#) and receive real-time alerts from the National Weather Service for up to five locations nationwide. [Sign up for community alerts](#) in your area and be aware of the Emergency Alert System (EAS) and Wireless Emergency Alert (WEA), which require no sign up. Dear Friends of Veterans,

While attending the 100th Anniversary of the American Legion at the Capitol Building in Hartford, CT, I passed through a long hallway, known as the Hall of Honor. I noticed pictures of service members from Connecticut who had been killed in the Iraq and Afghanistan conflicts. After paying respects to these brave heroes, I searched the walls for a memorial to those who gave their lives while serving in Vietnam, hoping to find the name of a fallen friend.

Although other items were on display recognizing veterans, there was no memorial for the 616 service members killed in Vietnam. Unable to find the memorial, I asked where it might be located and was informed there wasn't one in the Capitol Building. Shortly after, I began investigating how to have a memorial, honoring those 616 service members from Connecticut, included with the other veterans honored and remembered there.

With the help of State Representative John-Michael Parker, American Legion Post 79 and others, it was decided that 3 plaques with the name, branch of service, and hometown of each of these heroes would be included in the Hall of Honor. So far, through the generosity of some local veterans, and organizations, we have raised \$1300. We need around \$8,000 to complete the project. Any donation to help us remember and honor these brave men and women, who gave their lives in service to their country, will be greatly appreciated.

Donations by check should be made out to: "Griswold Post 79 Memorial Fund" and mailed to: American Legion Post 79, PO Box 504, Madison, CT 06443. This would be a tax deductible donation. Thank you for considering donating to this worthwhile endeavor.

Sincerely,

Fred Muzer

Honoring Our Connecticut Revolutionary War Families

July 4, 2026 will mark 250 years since the birth of our nation. Come join American Legion Post 202 and the American Legion Family as we honor our Revolutionary War families who lived in Newtown, Brookfield and our neighboring communities.

Our objective is to identify, clean and mark Revolutionary War graves in our towns before July 2026. This will be done in stages and we need your help. You can be an individual, a group/club, scouts or other.

Sponsors are welcome!
