

COMMANDERS MESSAGE

Volume 23-24

August 2023

Post Convention

Legionnaires of The Department of Connecticut,

Thank you all so much for the trust you placed in me to lead this outstanding organization. I pledge that no one will work harder than I will. As I said in my speech to the convention, the Blue Cap Legionnaire is the backbone to what we accomplish. You are the boots on the ground, those who run the programs, work with your communities, offer opportunities to young people that they might not otherwise have. My theme this year is Veterans, Family, Community. Our Four Pillars reflect these three ideas. Americanism, Children & Youth, National Defense and Veterans Affairs and Rehabilitation are the foundation of The American Legion.

In my visits throughout the state in the past two years, I have met many members who do a wonderful job supporting these Pillars, in many ways. Each community is unique, so you are limited to your imagination as to how to accomplish the goals you want to achieve. Keep up the great work. Remember to publicize your good works, because that is how people learn who we are/what we do. Don't be afraid to share your success with other Posts, this is best done at district meetings. Using the 3rd District as an example, when our Posts report, they share these stories and other Posts have tried these ideas. They don't always work, but when they do, it lifts everyone up.

You will hear me talk about getting back to the basics of the Legion: run whatever programs your Post is able; focus renewing your membership early in the year, integrate with your community, including an Open House (where feasible), and submit all required Post/District reports.

My Commander's Project this year is the Kick for Nick Foundation. Nick was killed by an IED in Iraq, was an outstanding soccer player, coach, and referee in Wilton. His last time home on leave he wanted his family to send soccer balls to him to hand out to children affected by the war, using anything available to kick around. After his death, a Wilton Legionnaire suggested a foundation to send balls to troops. Since the Fall of 2006, more than 55,000 balls, uniforms, cleats, and equipment have been sent to over fifty countries worldwide. To donate, checks payable to: Kick for Nick, mailed to 52 Tucker Street, Danbury, CT 06810-5133 will be gladly accepted. Go to kickfornick.org for more.

I am always available to talk, answer questions, offer ideas, and make Post visits.

Tom Moore, Department Commander
203-918-3767 (cell)
tommooarmy@gmail.com

Fellow Legionnaires,

I must begin by thanking the delegates to the 104th American Legion Department of Connecticut Convention for placing your trust in me to serve as the Department Senior Vice Commander for 2023 – 2024. The Officer Installation ceremony obligates new officers to “vindicate the trust that has been reposed in you.” You have my promise that I will work hard to do just that throughout the year.

We are coming off a busy five weeks in the life of our American Legion and its programs. We have seen a successful semi-joint presentation of American Legion Boys State and American Legion Auxiliary Girls State. We joined with our friends in law enforcement to sponsor the State Police Youth Week program. Throughout this time, we also had many posts engaged in American Legion Baseball. I congratulate the four State Championship teams and for those teams that are moving forward to regional play, I wish them well. Of course, we also hosted our Department Convention and had members attend the 60th Annual Membership Conference in Indianapolis.

My question to you is, “Did you or your Post engage in any of the above programs or meetings?” If not, “Why not?” As I travel the Department this year, one of my recurring messages will be simply “Get Involved!” We need individual Legionnaires to get involved in their Posts and Districts. We need Posts to get involved in their communities by sponsoring the above mentioned American Legion programs among many others. Then, after your Post gets involved, we need you to tell people about it through traditional media, social media, etc. Let everyone know that our American Legion Posts are an important part of the fabric of our communities.

Lastly, I ask you to immediately begin making Buddy Checks on your members. Information about how to conduct a Buddy Check can be found at www.legion.org/buddycheck. There will come a time in the not-too-distant future that I will be asking you to call on your members to ensure that they renew their membership. We do not want the first, or only, time our members hear from anyone is when we are looking for money. Reach out now to check in on our fellow members. Find out how they are doing and see if The American Legion can be of any assistance to them. Simply put, show our members that we care about them as people.

I look forward to meeting you and collaborating with you throughout the coming year. Should I be able to assist in any way, please do not hesitate to contact me.

Yours in Service,

John F. DeBisschop III

Department Senior Vice Commander

Greeting, fellow Legionnaires, friends, and the entire American Legion family in the Department of Connecticut!!!

As your candidate for National Commander 2024-2025, I want to take a moment to express my gratitude and give you all a bit of an update as to how the campaign is going. I will start with a huge "THANK YOU," to everyone that supported, assisted, and turned out to support the campaign by your generous contributions and attendance at the "Salute to Summer" event. A wonderful evening was had by all that attended the event. It was YOU that made the evening memorable, as well as your financial support for the campaign. As we've stated before, it takes multiple financial resources, time, and commitment and support the campaign and my candidacy to become National Commander of The American Legion, for 2024-2025. With that being said, we are almost one year out from this vision becoming a reality for all of us, which means we still need to raise quite a bit more revenue. With the summertime upon us, I'm asking each of you to please consider reaching out to your Post, Unit, Squadron, Chapter, and/or District to please consider holding some sort of a campaign fundraising event. It can be a small or large event, as every dollar does count and matters.

My travels have been going very well, visiting various Departments and events, as well as trying to be visible around our own Department, as my schedule allows me to. Butch Hansen and I just completed a very full 5 days of orientation held at the National Headquarters in Indianapolis, Indiana and rolled right into the annual membership workshop. Everything went extremely well for us, and we are really pumped up and excited about this journey. But this journey is only possible because of you and your support, commitment, and confidence. With that being said, "Thank You."

Just a reminder for everyone; we need to continue to keep our ears and eyes out for any veteran, family member, or individual that seems to be having a difficult time mentally, and be prepared to be supportive and ready to give them the proper guidance and direction, if they seem to be distraught or suicidal. The holiday season should be a joyous time, but for many, it's also a challenging time. YOU can "Be The One" to make a difference in someone's life, or even possibly save a life. Please take a moment to memorize the Veterans Crisis Line "988" then press 1. This will give them immediate and direct access to trained professionals to assist them in their time of need. I would also suggest to every Post, Unit, and Squadron to make Buddy Check phone to every single member on their respective rosters. This call would be to see how they are doing and to update them on what is happening at the Post and Department level. In closing, "THANK YOU." We are all "Team Connecticut."

James "Jim" A. LaCoursiere, Jr.
Candidate for National Commander 2024-2025

Volume 11-23

Post Convention

Notes

Resolution to raise Membership dues passes

All, a resolution to raise membership dues was introduced at the Department Convention and after much discussion, it was ultimately passed. What does this mean for everyone moving forward? Dues will increase by \$10.00 starting July 2024; Posts will be required to submit their Post Data forms in March 2024 reflecting their new Post dues with a minimum of \$39.50. Posts will need to determine what if any additional dues they will add to that amount. If your Post did not attend the convention, then you missed out on your opportunity to voice your opinion and or concerns concerning the increase. Please keep in mind that this is the first increase since 2005 at the Department level.

Department Budget

We need all Department Committee/Commission chairmen who require funds during the year to start preparing your budgets to be submitted to the Department Treasurer **NLT** August 7, 2023. Our Department Budget meeting will be held on August 14, 2023, and any budget requests not submitted on time will not be considered during the meeting.

My Legion Training

For all of the new Post Officers, if you are in need of some training, please call our office 860-436-9986 to make an appointment with Sue. All training will be conducted at our Department Headquarters or over the phone depending on your situation. Please keep in mind that this is the busy time of the year as we are processing membership daily, so appointments will be scheduled on Sue's availability.

Post Officer Forms

Please ensure that you send in your Post election forms in a timely manner as these along with the Commander/Adjutant form are still required, regardless of if you are keeping the same officers for the upcoming year. We use these to update our Post contact information on the Department Website and My Legion.

Post Data Forms

Please copy and share all Bulletin information as widely as possible!

We still have several Posts that have not turned in their Post Data forms, these are important to both the Department and National as the information is used to set your Post dues, change contact information, and update any other changes that you submit.

Membership Cards

All Posts should have their 2024 Legion membership cards, if this is not the case, please contact our office immediately. SAL membership cards are being distributed by the Sal, please call our office if you haven't already received them.

PUFL & Online Credits

PUFL and Online credits should be available by September 15, 2023, with the new My Legion system National now sends us individual checks for every Post. Once we receive those, they will be sent out to the Post address we currently have on file, so if you haven't sent us your Post Data Form and have changed your address you will not receive your check.

Department Raffle Drawing

Thank you to all those who participated in the raffle, it was extremely successful. Please see the flyer inside the bulletin for the winners.

Potpourri

The Department Convention was a great success this year, it was great to see so many familiar faces and meet many new faces. We are currently looking at new ideas to attract more participation, if you have any ideas, please submit them to our office. We look forward to the new year and seeing everyone out and about.

Please remember to call or send an email to keep the Department informed as to the status of our Legion family members.

Please copy and share all Bulletin information as widely as possible!

FIVE THINGS TO KNOW

1. [A U.S. Navy fast-attack submarine arrived at South Korea's southern island of Jeju on Monday](#), nearly a week after another U.S. submarine sailed into the country in response to North Korea's ballistic missile tests. The USS Annapolis, a Los Angeles-class submarine, sailed into South Korea's Jeju Naval Base to replenish its ordnance, South Korean navy spokesman Jang Do-young told reporters Monday during a Ministry of National Defense briefing in Seoul.
2. [The American-led U.N. Command said Monday it has started a conversation with North Korea about a U.S. soldier who ran into the North last week](#) across one of the world's most heavily fortified borders. Andrew Harrison, a British lieutenant general who is the deputy commander at the U.N. Command, refused to say when the conversation started, how many exchanges have taken place and whether the North Koreans responded constructively, citing the sensitivity of the discussions. He also declined to detail what the command knows about Pvt. Travis King's condition.
3. [Russian authorities accused Ukraine of launching a drone attack on Moscow early Monday](#) that saw one of the aircraft fall near the Defense Ministry's main headquarters, while the Russian military unleashed new strikes on port infrastructure in southern Ukraine. Moscow Mayor Sergei Sobyanin said there were no casualties when the drones struck two nonresidential buildings in Moscow. Separately, a Ukrainian drone struck an ammunition depot in Russian-annexed Crimea, forcing a halt in traffic on a major highway, Russian authorities said.
4. [Congress is poised to advance two major pieces of defense legislation ahead of the start of its end-of-summer break, but completion of either measure is still months away](#). The Senate is expected to finalize its version of the annual defense authorization bill before the end of the week. Meanwhile, the Senate Appropriations Committee is set to vote on Thursday on its budget plan for the Defense Department for next fiscal year.
5. [China sent dozens of warplanes, including fighter jets and bombers, toward Taiwan, the island's Defense Ministry said Saturday](#), marking a forceful display days before the democracy plans to hold military exercises aimed at defending itself against a possible invasion. Taiwan is due to hold its annual Han Kuang exercise next week, during which its military will hold combat readiness drills for preventing an invasion. It will also conduct the annual Wan'an exercises aimed at preparing civilians for natural disasters and practicing evacuations in case of an air raid.

FROM THE LANDING ZONE:

The case for a transarctic alliance By Alan W. Dowd
Russia's assault on Ukraine – and Ukraine's defiant resistance – have held the world's attention for more than a year. But Vladimir Putin's efforts to rebuild the Russian Empire aren't confined to Central Europe. The Russian dictator is also making moves in the

Arctic. After taking an out-of-sight-out-of-mind approach for too long, NATO is finally making countermoves.

High tensions in the High North Before getting into the steps NATO members are taking in the High North, it's important to emphasize that these steps are in response to aggressive actions on the part of Moscow. An entire essay – or book – could be devoted to Putin's reckless and destabilizing moves in the Arctic, but here are some recent highlights:

- U.S. military commanders [reported](#) in February that Russia now has six bases, 14 airfields, 16 deep-water ports and 14 icebreakers, girded by precision-guided strike weapons and S-400 air-defense systems – all yielding a “strong anti-access and access-denial capability that reaches from the Arctic to the Baltic.”
- According to the British military, Russian submarine activity in the North Atlantic “has reached Cold War levels.”
- Russia is adding new layers of [defenses](#) at an Arctic naval base, increasing activity around Norwegian island formations and adding hypersonic missile systems to its Northern Fleet.
- In early 2023, Putin signed off on a strategy document describing Russia's goal as “neutralizing the policy of unfriendly states to militarize the region and limit Russia's opportunities to exercise its sovereign rights in the Arctic zone of the Russian Federation.” And in late 2022, Putin promulgated a strategy announcing that Russia would protect Arctic waters “by all means” – diplomatic parlance for military force.
