Bulletin No. 05

Happy and Fruitful New Year.

Legionnaires,

Mid-Winter Conference is just a few weeks away. Please join us for training and important information, which is explained in detail in this bulletin. As of this message, we are just over 80% of our goal. That is good, but not good enough.

We all know how there is a tendency to slack off right after the New Year. Read both our Dept. Senior Vice-Commanders note and the Dept. Membership Chair and take it to heart. I could not express my thoughts any better.

Think about why you joined the American Legion. In addition, if you are a long time member, why are you still a member! We must work together to be successful, we all know that. Knowing and saying that is one thing. Doing is the tuff part.

My last message included making deals for more than one year. We need to continue making deals throughout the year and not just at a certain time. My challenge remains the same. For every new member, for 2020, sign them up for 2021 as well. Make a deal! Offer membership for two years for the price of one. If your post cannot afford to make that deal contact your District Officers for help. If that is not possible, contact me, I will make sure THE Deal WILL BE MADE!

Buddy checks go hand and hand with retention. Transferring members now may not help this year's goal but will help next year. Always keep the future in mind, especially when getting a new or transferred member. Let's work together and make it happen.

For God and Country,
Dennis P. Beauregard
The American Legion
Dept of CT Commander

Bulletin No. 05

Happy New Year

Comrades,

I would like to wish everyone best wishes for 2020. The New Year also brings with it a big milestone towards our membership efforts. The Department of Connecticut continues to keep pace with National Target Dates; however, this is the time of year where we start to ease on our efforts. Effective 1 January 2020, members who have not renewed their memberships are now considered DELINQUENT and if we do not reach these members before 1 February and process their renewals, those memberships will be considered EXPIRED. For those Posts within the Department that have a Canteen with a Club license, expired members will be required to sign the guest book commencing the 1st of February. This is the time to make contact with those unpaid members and check to see how they are doing. If a member is experiencing a hardship that may be keeping them from renewing, the Post can consider offering a helping hand and pay their dues. The time to take action on membership renewals is NOW so we can finish the Membership year continuing to pursue those Veterans who are now eligible for membership in The American Legion by the signing of the Legion Act.

Additionally, Posts need to stop holding renewals and process memberships on a weekly basis, even if there is only one renewal to process. It is strongly recommended that Posts who are still mailing renewals to consider joining the technology world and start processing on MyLegion.org. I continue to hear feedback from Posts who were hesitant to go online that now realize how easy membership processing is by computer, stating that they can process in excess of 25 renewals in less than five minutes. Any Post wishing to pursue online processing can contact me and we can provide training. There will also be MyLegion.org training provided at the Department Mid-Winter Conference on 24-26 January 2020 at the Trumbull Marriott.

For God and Country,

Jeff DeClerck
Senior Vice Commander
Department of Connecticut

Membership, Leadership & Learning, and Media

Happy New Year's to The American Legion family, Department of Connecticut. Here we are, December 31st, which marks the half way point of our current membership year, with the bright prospect of a great year for us all in 2020. As of this writing, we are at 80.42% of our membership goal for this membership year. 100% is a very achievable goal, as long as we continue to work together, communicate with one another, and maintain the compassion and desire to continue to grow this great organization. Education is a major part of our growth, since knowledge is powers and gives us confidence. We have many avenues of training for individuals, Posts, Districts, etc.... all you have to do is ask, and we will be there. This is the same for contacting your Posts members to get them to pay their dues. If you need some help, please let us know.

As I stated earlier, we are in a position to have a 100% membership year, but we need your help. As of this writing, 11 Posts in the Department have achieved 100% or better. The following Posts have reached this achievement, and I'd like to recognize them publicly:

1st District: 53 Farmington & 117 Newington

2nd District: 10 Seymour

3rd District: 30 New Canaan, 86 Wilton, 202 Newtown, 207 Trumbull, & 208 Ridgefield

6th District: 153 Kent & 159 Riverton

7th District: 192 Middlefield

Congratulations for a job well done. Please keep in mind that the membership year is only half over, so now is a great time to consider finding new members to grow your respective Post's even more.

In closing, I just want to thank everyone for all that you do. Remember, if you need anything, please don't hesitate and contact us immediately. Happy New Year, and stay safe and warm.

Jim LaCoursiere

Co-Chairman Membership, Leadership & Learning, and Media

Amendment XII

The Electors shall meet in their respective states, and vote by ballot for President and Vice-President, one of whom, at least, shall not be an inhabitant of the same state with themselves; they shall name in their ballots the person voted for as President, and in distinct ballots the person voted for as Vice-President, and they shall make distinct lists of all persons voted for as President, and of all persons voted for as Vice-President, and of the number of votes for each, which lists they shall sign and certify, and transmit sealed to the seat of the government of the United States, directed to the President of the Senate; — The President of the Senate shall, in the presence of the Senate and House of Representatives, open all the certificates and the votes shall then be counted; — The person having the greatest number of votes for President, shall be the President, if such number be a majority of the whole number of Electors appointed; and if no person have such majority, then from the persons having the highest numbers not

exceeding three on the list of those voted for as President, the House of Representatives shall choose immediately, by ballot, the President. But in choosing the President, the votes shall be taken by states, the representation from each state having one vote; a quorum for this purpose shall consist of a member or members from two-thirds of the states, and a majority of all the states shall be necessary to a choice. And if the House of Representatives shall not choose a President whenever the right of choice shall devolve upon them, before the fourth day of March next following, then the Vice-President shall act as President, as in the case of the death or other constitutional disability of the President. — The person having the greatest number of votes as Vice-President, shall be the Vice-President, if such number be a majority of the whole number of Electors appointed, and if no person have a majority, then from the two highest numbers on the list, the Senate shall choose the Vice-President; a quorum for the purpose shall consist of two-thirds of the whole number of Senators, and a majority of the whole number shall be necessary to a choice. But no person constitutionally ineligible to the office of President shall be eligible to that of Vice-President of the United States.

Amendment XX

Section. 1. The terms of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

Section. 2. The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.

Section. 3. If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.

Section. 4. The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.

Section. 5. Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

Section. 6. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission.

Amendment XXIV

Section. 1. The right of citizens of the United States to vote in any primary or other election for President or Vice President, for electors for President or Vice President, or for Senator or Representative in Congress, shall not be denied or abridged by the United States or any State by reason of failure to pay any poll tax or other tax.

Approved Veterans and Caregivers to Access Base Facilities, Shops

By Coleen R. San Nicolas-Perez, Commander, Navy Installations Command Public Affairs

WASHINGTON (NNS) -- Navy installations are ready to support authorized veterans and their caregivers who will soon be able to enjoy certain Morale, Welfare, and Recreation (MWR) programs and shop at base commissaries and exchanges.

Effective Jan. 1 2020, veterans awarded the Purple Heart or Medal of Honor, who are former prisoners of war, or have service-connected disability along with their caregivers will be permitted to use the commissary, military exchange and many MWR facilities per the 2019 National Defense Authorization Act.

“We are excited and looking forward to serving this new patron group at our MWR facilities throughout the shore enterprise,” said James Baker, director of Commander, Navy Installations Command (CNIC) fleet readiness division, which oversees all MWR programs at Navy bases.

Qualifying veterans and caregivers will have access to MWR golf courses, bowling alleys, movie theaters, food and beverage facilities, campgrounds, lodging facilities, marinas, recreational cottages and cabins as well as tickets and travel offices. Access to auto skills and outdoor recreation facilities as well as special events will be at the discretion of the installation commanding officers based on capacity.

The patronage expansion does not include access to fitness centers, swimming pools, libraries, Single Sailor Programs, and Child and Youth Programs (Child Development Centers, School Age Care, Youth Programs and Child Development Homes).

“To our veterans and their families, welcome back,” Baker said. “Our MWR teams are committed to offering you a great experience with every visit.”

Navy installations are also ready to assist qualifying veterans and caregivers with obtaining base access.

“As we continue to focus on our number one priority of ensuring the safety of our people and the security of our installations, we are dedicated to providing top-

notch customer service to our veterans as they come into the Visitors Control Centers (VCC) to process their base access,” said William Holdren, deputy director for CNIC’s force protection program.

Patrons are advised of the following:

- Veterans in possession of a Veterans Health Identification Card (VHIC) by the U.S. Department of Veterans Affairs (VA) will be required to enroll their VHIC in the Defense Biometric Identification System (DBIDS) at their local VCC for installation access.

- Veterans who are not eligible for a VHIC will require a letter issued from the VA indicating eligibility for access to DoD installations. Those with a letter from the VA must enroll their Real ID driver’s license in DBIDS.

- Caregivers can present their letter of eligibility from the VA at their local VCC and enroll their Real ID driver’s license in DBIDS for installation access.

- A DBIDS credential will be issued in cases when a Real ID compliant driver’s license is not available.

For more information about obtaining a VHIC or a letter from Veterans Affairs, visit your local VA medical facility or call 1-877-222-VETS (8387), Monday through Friday from 8 a.m. until 8 p.m., Eastern Standard Time.

To learn more about base access requirements, contact or visit the nearest Navy Visitors Control Center.
