

CONNECTICUT LEGIONNAIRE

Volume 19-20

October 2019

Bulletin No. 02

Legionnaires,

As I travel to different posts, I am impressed with what I hear before, during and after meetings. I am a firm believer of spending as much time as possible in either a post meeting or function. It is a great experience. That is why I encourage everyone to do the same.

We still need to see more District and Department officers at Post meetings than in the past. It is an opportunity to ask questions, get answers and eliminate any communication barriers (get the facts straight).

We still offer training at the District or Post level. We are in the process of scheduling training at the Dept. Conference and entertainment at our Winter Conference and Convention. If you have suggestions for training please contact us.

I also encourage all to wear your Legion clothing everywhere you go. This is the best way for brand recognition. We are the best advertisement there is! We are walking and talking advertisements. Nothing or no one can do it better than us. This is another opportunity to bring in new members along with an attainable goal given to us by National to make 100% or more.

If any Post requires our assistance or would like us to attend a meeting or function please contact us. Let's work together and make it happen.

Remember, communication, fun and personal contact works!

For God and Country,
Dennis P. Beauregard
The American Legion
Dept of CT Commander

MEMBERSHIP

Volume 19-20

October 2019

Bulletin No. 02

Comrades,

I would like to take this opportunity to say THANK YOU to everyone for your commitment and dedication to the membership effort within the Department. These efforts are evident in the current Membership numbers. As of this writing, the Department of Connecticut stands in 11th Place nationally at 57.7%. The Department's membership goal is 18,194 and there are currently 10,498 paid members. The significant point of this number is that they include 167 new members. If we can keep this momentum going, we will reach our goal of 100% this Membership year, we just need to keep moving forward. Waterbury Post 1 Commander Jim Roosa and I just wrapped our interview on WATR Radio where we had the opportunity to speak about the Legion Act and how this affords previously ineligible Veterans the opportunity to keep serving Veterans and their communities as well as affording these Veterans the services available as members of the American Legion family. I task every member of the Department of Connecticut to work towards reaching these newly eligible members and sharing your American Legion experiences with them.

The Department Membership, Leadership and Media Affairs Commission met recently and are working towards reaching each District and Post and sharing the opportunities offered in Legion Act as well as assisting in your membership efforts. As I have stated previously, if there is a Post seeking training or has questions concerning the Legion Act, we are available at any time.

For God and Country,

Jeff DeClerck
Senior Vice Commander
Department of Connecticut

The Saturday evening banquet will include the Thirteenth class of inductees to the Department of Connecticut Legionnaire Hall of Fame and the Hall of Fame Plaque will once again be on display. As always, we have invited the Liquor Control Commission back for Friday evening (6:30). **Posts with "lounges" are well advised to send their permittees and staff to this session**. 9:30pm - 12am CT Patriot Race

Where: 172 Lake Street Coventry, CT

Description:

As a quick introduction, I'm a retired Marine and a co-founder of the CT Veterans Day Patriot Race held in Coventry, CT. I'm also a member of the Women Marines Association, Marine Corps League and the American Legion. My husband, Peter, and I started this race event in 2016 as a way to honor and celebrate our CT veterans in a venue that brings our communities together with our veterans. Most civilians know someone who has served in the military, and Veterans Day is a great time to show their appreciation by helping the many VSO's who continue to serve on the home front. We have an opening ceremony at 0945 with the UConn ROTC as the color guard and the UConn Rubyfruit A Cappella group singing the National Anthem. The Young Marines from Waterbury will be collecting new t-shirts, socks and toiletry items for the homeless veteran shelters. And the American Legion will be serving hotdogs and chili after the race. This year we especially remember the 75th anniversary of the D-Day landing, the liberation of Paris, the Battle of the Bulge; as well as the 15th anniversary of the Battle of Fallujah, Iraq. Veterans Day is a great time to salute our members of the military, past and present. If you would share the news with your social media network as well as consider joining us, we would greatly appreciate your support. I've attached our flyer. Our website is www.ctveteransdayrace.com

**NATIONAL EXECUTIVE COMMITTEE
OF
THE AMERICAN LEGION
INDIANAPOLIS, INDIANA
MAY 1-2, 1991**

Resolution No. 24: Reaffirmation Of The American Legion Life Insurance Plan Preemption

Origin: Subcommittee on Resolutions

Submitted By: Subcommittee on Resolutions

WHEREAS, The American Legion by action of the National Executive Committee, established in 1958 and improved in 1986, The American Legion Life Insurance Plan whereby it offered to its membership an opportunity to purchase low-cost term life insurance as members of a large national organization which program has through the years been managed and directed by The American Legion Life Insurance and Trust Committee, reporting through the National Finance Commission; and

WHEREAS, The American Legion has consistently refrained from offering non life insurance plans to its membership, after considerable study by special committees, even though it has been urged at various times to offer hospital indemnity insurance, medical insurance, dental insurance and other company insurance plans, feeling that it had preempted the Legion life insurance field by offering its official national programs and that the various departments could offer other insurance plans as they deemed advisable; and

WHEREAS, It appears that several departments are presently being requested by insurance companies to sponsor and to offer certain life insurance plans which will be in direct competition with our official and nationally approved American Legion Life Insurance Plan, which will create confusion among our membership as to the approved national plan, and which will weaken the promotional efforts of our national organization to the detriment of our national image; and

WHEREAS, This preemption of life insurance was first announced by the National Executive Committee in Resolution No. 27, adopted May 3-4, 1972, and reaffirmed in Resolution No. 38 adopted by the National Executive Committee May 4-5, 1988; now, therefore, be it

RESOLVED, By the National Executive Committee of The American in regular meeting assembled in Indianapolis, Indiana, on May 1-2, 1991

- A. That the national organization declare that it has preempted the field of life insurance**
- B. That all departments refrain from offering or sponsoring any life insurance plan or program other than the nationally approved American Legion Life Insurance Plans**
- C. That any department which has been offered such plan or plans to phase out and discontinue immediately its sponsorship of same; and, be it further**

RESOLVED, That the national organization is hereby authorized to deny any department attempting to continue or establish a life insurance plan the right to use the emblem and name of The American Legion; and, be it further

**NATIONAL EXECUTIVE COMMITTEE
OF
THE AMERICAN LEGION

**Resolution No. 37: Reaffirmation of The American Legion Policy Concerning Affiliation With
Other Organizations**

Origin: Subcommittee on Resolutions

Submitted by: Subcommittee on Resolutions

WHEREAS, The American Legion adopted Resolution No. 6, National Executive Committee, October 10-11-12, 1952, concerning the affiliation of The American Legion with other organizations; and

WHEREAS, The adoption of that resolution was a reaffirmation of a long-established policy of The American Legion which has proved its wisdom by prohibiting The American Legion from joining any such organization, committee, association, council, or group in which The American Legion is not permitted a full voice and vote in determining matters of policy of such organization, committee, association, council or group; now, therefore, be it

RESOLVED, By the National Executive Committee of The American Legion in regular meeting assembled in Indianapolis, Indiana, on May 4-5, 1988, That The American Legion shall not be a member of, or affiliated with, any organization, committee, association, council or group whereby The American Legion might be committed to a policy contrary to that adopted by The American Legion; and, be it finally

RESOLVED, That the National Adjutant is instructed to circulate this resolution to all Departments and National Officers of The American Legion on a yearly basis.

Membership, Leadership & Learning, and Media (October bulletin message)

Hello my fellow Legionnaires, and members of The American Legion Family, Department of Connecticut. The 2019-2020 membership year is in full swing, and it's up to each and every one of us, to make sure that we have a lot of fun, while growing our membership this year. Last year, the year of our centennial, we did pretty "well" with our membership, finishing at about 98% nationally. But, I know deep down inside, that this will be the year that, by working together, we will have a "great" year and will finish the year at 100+%. This can be achieved easily, if we show each other how to make renewing our current members, while attracting new members, a lot of fun and rewarding. With the passage of the Legion Act, this should make growth of our membership very feasible. But, keep in mind that we still must work the retention aspect of the ones whom we signed up in the past, so we don't lose them.

The Membership, Leadership & Learning, and Media Commission held a meeting, which the room was filled with excitement, as we all brainstormed openly and together, laying out our goals and objectives for this year. You will all hear and see many wonderful and exciting things happening during the course of the year, with most of the focus on brand awareness and training. We must make our logos and the name of our great organization, a "preferred name brand", which everyone is familiar with and wants to be a part of. How do we do this? Marketing and visibility throughout our communities and state. We need to get involved with local events and promote The American Legion and our programs, beyond the 4 walls of our Posts. If we want the community to come to us, we must be willing to go to and work with the community, and be visible with informational displays. If your Post or community has an event, and would like some assistance or even to utilize table displays and marketing tools, please contact us. We have 3 complete table display setups, as well as a 10'x10' canopy, and a 10'x15' canopy, which can be borrowed and used for your events. We also have members of our commission, whom would be willing to come out and work with you, if you just ask us, and give us a little notice.

Knowledge & respect, are probably the most valuable tools which anybody can carry. There are so many unique tools available, to help educate all of us, about The American Legion, as well as about our programs. There are training modules on our webpage, great training courses are conducted at our annual Mid-Winter conferences, and the Learning & Leadership committee is available to come directly to your Post or District, to give training in whatever area you may request. Once again, all you have to do is "ask", and we will be there for you. With the knowledge and understanding of who we are and what we do, others will show respect, as long as we show the respect as well, and they will want to be a part of this great organization.

We have a couple of upcoming highlighted events, which you may be willing to join us for: **3rd District Revitalization & Buddy Checks:** Fairfield Post 143: Friday, October 25th & Saturday, October 26th.

Home Show: Connecticut Convention Center, Hartford: Friday, October 25th (5pm-9pm), Saturday, October 26th (10am-6pm), and Sunday, October 27th (10am-5pm)

Vets Rock: Mohegan Sun Casino, Convention Center: Friday, November 1st (9am-6pm)

If you can and are willing to assist with any of these events, please contact either myself, Jim LaCoursiere (Legionjim3@aol.com), or Department headquarters. Assigned work schedules are being put together for all events, with 2 hour time blocks. You must be pre-signed up, to assist with these events. You are much welcome to stay beyond your scheduled time block, if you so desire. Thank you in advance, for your cooperation and understanding.

Marketing, visibility, and direct contact are the best ways to stabilize and grow The American Legion, Department of Connecticut. Working as a team, and not leaving the burden with one or two individuals, will make the task at hand, so much easier and enjoyable. Let's all have lots of fun this year, work as a family, and grow our membership.

Jim Lacoursiere

From POW/MIA Chairman
Thomas Honyotski

First let me thank Commander Dennis Beauregard for my appointment to this very important committee. The POW/MIA issue is a very important one, for many of our brothers and in some cases sisters, are still unaccounted for from our nation's wars and conflicts.

The numbers are going down, but they are still high. The known numbers go back as far as WW1: WW1-3,300; WW2-73,661; Korea-7,980; the Cold War-126; Vietnam-1,645 and the Middle East-6. As of this time last year these numbers were higher. We are moving forward in our efforts for as full an accounting as is possible.

It is up to all of us as members of the American Legion to see that they are not forgotten, but many ask "what can I do?" Firstly, we must keep this issue in the eyes of the public, and promote the issue in the eyes of the public, this can be done in many ways;

1. Promote the flying of the POW/MIA flag at all city buildings and at your Post Home.
2. Set up a permanent Table for One in your Post Home.
3. Set up the missing man table in your Post Home or at a function involving a dinner at your Post.
4. Talk to your city officials about setting up a Table for One in a public building.
5. Hold a POW/MIA Remembrance in your Post.

This is something that we as Legionnaires must do, and after speaking with our commander I encourage all the Posts in our Department of Connecticut to do. Though September 20 is POW/MIA Recognition Day we can still do this any time during the year.

Any Post that does anyone of the 5 things mentioned, and reports it either to me or Department Headquarters, will receive a special citation suitable for framing to be given to those Posts who help to promote this issue. Your help is needed.

My mailing address is 320 North Hoadley St., Naugatuck, CT 06770.

Guest Speaker: – SS Juliet Taylor US Army (Ret.)

Staff Sergeant Taylor is a decorated soldier who served an 18-month combat tour in Iraq and two humanitarian tours throughout the region. Her military journey began in 2002, when Juliet enlisted in the United States Army, taking her initial training at Fort Jackson, South Carolina and Advanced Individual Training at Fort Sam Houston, San Antonio, TX. Several months later, she returned to Connecticut where she was mobilized and deployed in support of Operation Iraqi Freedom II.
