Bulletin No. 03

Legionnaires,

We had our Fall meetings at National Headquarters (HQ) and different conference rooms in mid-October. Department Commanders and Adjutants sat in on some meetings and other sessions were separate. We listened to several speakers, from the Washington office as well as National HQ. Department Commanders met with their respective National Vice-Commanders.

We gathered, listened, asked questions and exchanged ideas. The whole point was about communication and yes, our focus was on membership.

One of our challenges this year, from our National Commander, is 103% membership. Might as well aim high. If you aim low that's all you will ever achieve. Another is 90% retention. Last year was 86%. That's where Buddy Checks come into play. Consolidated Post Reports (CPR) is the last challenge. All the above is definitely attainable with The LEGION Act and the membership goal working in our favor.

We still offer training at the District or Post level. We are in the process of scheduling training at the Dept. Mid-Winter Conference and entertainment at our Dept. Convention.

If any Post requires our assistance or would like us to attend a meeting or function please contact us. Let's work together and make it happen.

**Remember, communication, fun and personal contact works!**

Bulletin No. 03

Comrades,

Here we are in November already and aside from the days getting shorter, the leaves falling from the trees and the heat coming on for the first time, we can still enjoy the many things that come at this time of year. On November 11<sup>th</sup>, we as Veterans can reflect and rejoice in our service to this country and reflect on the service and sacrifice made by those we served with as we honor ourselves and our fellow comrades on Veterans Day. Whether you participate, attend a local event, or simply contemplate in private, we can all appreciate our prior service and our continued service as members of this great organization. By the end of this month, we will be enjoying the start of the Holiday season as we either gather with friends and family around the Thanksgiving Day table or share our time making sure those less fortunate can meet for a great day with those who truly care.

I also ask that those members, who still have not had an opportunity to renew your membership dues for 2020, please consider doing so before your membership expires on January 1<sup>st</sup>. In addition, I ask Posts to keep those members in mind that are struggling during this time of year and consider offering a helping hand and renewing the dues of those less fortunate, holding on to the purposes addressed in our Preamble – “to consecrate and sanctify our comradeship by our devotion to mutual helpfulness”.

Happy Veterans Day, Happy Thanksgiving and thank you for your service!!!

For God and Country,

Jeff DeClerck

Senior Vice Commander

Department of Connecticut

## Mid-Winter Conference

The program for our 46<sup>th</sup> Mid-Winter Conference will be coming out December 1, 2019. I have put a preliminary list of classes that will be offered in the bulletin, plan now to treat your officers and 'up and coming members' to the **Mid-Winter Conference at the Trumbull Marriott, on January 24-26, 2020**. An advance registration form is in this Bulletin (and will be distributed via email & added to our web site). The Saturday evening banquet will include the Fourteenth class of inductees to the Department of Connecticut Legionnaire Hall of Fame and the Hall of Fame Plaque will once again be on display. As always, we will invite the Liquor Control Commission back for Friday evening along with the State Lottery Commission (6:00 PM). **Posts with "lounges" are well advised to send their permittees and staff to this session.** We will once again be offering training classes throughout the day and there will be the usual specialized breakout in the afternoon for SSMF Reps & Service Officers. Keep your eyes open for more details as they are confirmed!

## Membership

As many of you know Posts are now able to process their own membership online through My Legion. We currently have about 30% of the Post's currently processing their own membership, we would like to see this number climb to around 70%. If your Post is hesitant to make the change please call our office we will help you through the process and answer any questions that you may have. Once you are online processing your own membership you will ask yourself; "Why didn't I start this last year". It's easy and will save your Post money.

**Please copy and share all Bulletin information as widely as possible!**

Post SAL Squadrons are now able to process their own membership online through My Legion. Since not all squadrons process their own membership, I would suggest that Post leadership sit down with their squadrons to see if this is something you want to do. If there are questions, I want you to call me directly so we can discuss your concerns.

### High School Oratorical Contest

*Right now is when you should be working on your local High School Oratorical Contest.* While printed contest Chairman Guides are still available, National is no longer printing the Oratorical brochure with the rules and assigned topics. Each contestant is expected to go online and obtain the information needed (<http://www.legion.org/oratorical>). The Registration/Certification form is available on the Department web site and is now fillable as well as a page with the Assigned Topics and links to the National information. I have included 'hard' copies of both in this Bulletin. **The Department contest will be March 7, 2020 at the State Police Academy 285 Preston Ave, Meriden, CT 06450.**

### Auxiliary

**Add support for the ALA Christmas shops to your calendars.** Rocky Hill: Set-up Fri. 11/29; Shop Sat. 11/30 – Mon. 12/01; and West Haven: Set-up, Sat. 12/07; Shop, 12/08 – 12/10. Legion help is especially needed to do the 'heavy lifting' for the set-ups and closings. Also, I know the ALA would appreciate any help obtaining appropriate merchandise for this massive project and cash donations are always welcome! Call ALA Department Secretary for more information at 860-616-2343.

### Department Website

As many of you may have already seen, we have had our website rebuilt to allow us to better serve you. We are still making some modifications to it and will be making another upgrade in the near future. Please be patient as we make these changes that will ultimately allow us to better serve you.

### Department Potpourri

Please take note of the following this month: All Legion Offices will be closed 11/11 Veterans Day and 11/28 & 11/29 in observance of the Thanksgiving Holiday

**Please copy and share all Bulletin information as widely as possible!**

## Membership, Leadership & Learning, and Media (November bulletin message)

The 2019-2020 membership year is moving right along, and we need to keep our main focus on the growth of The American Legion family, here in Connecticut. The door of opportunity is wide open, for us, especially due to the passage of The Legion Act. All facets of The American Legion should be taking advantage of this, and letting everyone in your community know about who we are, what we do, and of the new eligibility requirements. **How do we make this happen?** We can accomplish this simple task by doing Buddy Checks, marketing and being visible within our local communities, being knowledgeable of “who we are”, and displaying our name and logos with the clothing that we wear. The Membership, Leadership & Learning, and Media Commission have been meeting and will continue to meet every month of the year, since membership is 12 months of the year. At our meeting held the other night, for October, we discussed and are hereby putting out a fun and appealing challenge to all members of The American Legion family, here in the Department of Connecticut. We’ve decided to call it **“the 30 day challenge”**. What the 30 day challenge is, is for you to wear articles of clothing (even a ball cap), which has the name and logo of The American Legion, American Legion Auxiliary, Sons of The American Legion, or American Legion Riders for 30 consecutive days. By doing this simple feat, we are actually putting our name and logos out there, for everyone to see

We need to get involved with local events and promote The American Legion and our programs, beyond the 4 walls of our Posts. If we want the community to come to us, we must be willing to go to and work with the community, and be visible with informational displays. If your Post or community has an event, and would like some assistance or even to utilize table displays and marketing tools, please contact us. We have 3 complete table display setups, as well as a 10’x10’ canopy, and a 10’x15’ canopy, which can be borrowed and used for your events. We also have members of our commission, whom would be willing to come out and work with you, if you just ask us, and give us a little notice. We did very well at the Home Show at the Hartford Convention Center, and on Friday, November 1<sup>st</sup>, we’ll be at The Mohegan Sun, for Vets Rock. If and when you hear or see an opportunity to promote our great organization and programs, please let us know immediately if there is anything you may need or that we can do, to help support. We don’t want to miss any opportunities. As a matter of fact, we’ve been contacted by “Mission 22”, to help support and bring awareness to the veteran suicide rate. I’ve reached back to them, and I informed them that The American Legion, Department of Connecticut is here for them. Beginning on Veterans Day (November 11, 2019), Josh Milich and Brian Tjersland will be running 500 miles from Massachusetts National Cemetery in Bourne, Massachusetts to Arlington National Cemetery in Virginia to raise money for the Mission 22 charity. Our goal is to complete the run on November 22nd, averaging 50-miles a day. The event is called “500 Miles To End Veteran Suicide”. They will have 3 overnight stays here in Connecticut: **November 12<sup>th</sup>** – Norwich, CT – Courtyard Norwich, 181 W Town St, Norwich, CT 06360    **November 13<sup>th</sup>** - Fairfield Inn by Marriott New Haven Wallingford, 100 Miles Drive, Wallingford, CT 06492 (43.9 miles)    **November 14<sup>th</sup>** - Courtyard by Marriott Norwalk, 474 Main Ave, Norwalk, CT 06851 (50.8 miles)

Arrival time could vary every night depending on how they are feeling and their pace but, at this time, they believe they should be arriving sometime between 5pm-7pm every night. We will be there with the 10’ x 10’ canopy and a display, as well as accepting donations for them. At the same time, I’m inviting everyone to join us, if possible, and let’s really show our support. Since we will be in 3 Districts, in 3 nights, I’m also asking anyone and everyone, if you so choose to, to please drop off any membership which you may have, as well. In closing, I just want to thank each and everyone one of you for all that you do, and to please continue to help us promote and grow this great organization.

Jim LaCoursiere

Commission Chairman: Membership, Leadership & Learning, and Media

### 9:30pm - 12am CT Patriot Race

**Where:** 172 Lake Street Coventry, CT

**Description:**

As a quick introduction, I'm a retired Marine and a co-founder of the CT Veterans Day Patriot Race held in Coventry, CT. I'm also a member of the Women Marines Association, Marine Corps League and the American Legion. My husband, Peter, and I started this race event in 2016 as a way to honor and celebrate our CT veterans in a venue that brings our communities together with our veterans. Most civilians know someone who has served in the military, and Veterans Day is a great time to show their appreciation by helping the many VSO's who continue to serve on the home front. We have an opening ceremony at 0945 with the UConn ROTC as the color guard and the UConn Rubyfruit A Cappella group singing the National Anthem. The Young Marines from Waterbury will be collecting new t-shirts, socks and toiletry items for the homeless veteran shelters. And the American Legion will be serving hotdogs and chili after the race. This year we especially remember the 75th anniversary of the D-Day landing, the liberation of Paris, the Battle of the Bulge; as well as the 15th anniversary of the Battle of Fallujah, Iraq. Veterans Day is a great time to salute our members of the military, past and present. If you would share the news with your social media network as well as consider joining us, we would greatly appreciate your support. I've attached our flyer. # Approved Veterans and Caregivers to Access Base Facilities, Shops

---

By Coleen R. San Nicolas-Perez, Commander, Navy Installations Command Public Affairs

WASHINGTON (NNS) -- Navy installations are ready to support authorized veterans and their caregivers who will soon be able to enjoy certain Morale, Welfare, and Recreation (MWR) programs and shop at base commissaries and exchanges.

Effective Jan. 1 2020, veterans awarded the Purple Heart or Medal of Honor, who are former prisoners of war, or have service-connected disability along with their caregivers will be permitted to use the commissary, military exchange and many MWR facilities per the 2019 National Defense Authorization Act.

“We are excited and looking forward to serving this new patron group at our MWR facilities throughout the shore enterprise,” said James Baker, director of Commander, Navy Installations Command (CNIC) fleet readiness division, which oversees all MWR programs at Navy bases.

Qualifying veterans and caregivers will have access to MWR golf courses, bowling alleys, movie theaters, food and beverage facilities, campgrounds, lodging facilities, marinas, recreational cottages and cabins as well as tickets and travel offices. Access to auto skills and outdoor recreation facilities as well as special events will be at the discretion of the installation commanding officers based on capacity.

The patronage expansion does not include access to fitness centers, swimming pools, libraries, Single Sailor Programs, and Child and Youth Programs (Child Development Centers, School Age Care, Youth Programs and Child Development Homes).

“To our veterans and their families, welcome back,” Baker said. “Our MWR teams are committed to offering you a great experience with every visit.”

Navy installations are also ready to assist qualifying veterans and caregivers with obtaining base access.

“As we continue to focus on our number one priority of ensuring the safety of our people and the security of our installations, we are dedicated to providing top-

notch customer service to our veterans as they come into the Visitors Control Centers (VCC) to process their base access,” said William Holdren, deputy director for CNIC’s force protection program.

Patrons are advised of the following:

- Veterans in possession of a Veterans Health Identification Card (VHIC) by the U.S. Department of Veterans Affairs (VA) will be required to enroll their VHIC in the Defense Biometric Identification System (DBIDS) at their local VCC for installation access.

- Veterans who are not eligible for a VHIC will require a letter issued from the VA indicating eligibility for access to DoD installations. Those with a letter from the VA must enroll their Real ID driver’s license in DBIDS.

- Caregivers can present their letter of eligibility from the VA at their local VCC and enroll their Real ID driver’s license in DBIDS for installation access.

- A DBIDS credential will be issued in cases when a Real ID compliant driver’s license is not available.

For more information about obtaining a VHIC or a letter from Veterans Affairs, visit your local VA medical facility or call 1-877-222-VETS (8387), Monday through Friday from 8 a.m. until 8 p.m., Eastern Standard Time.

To learn more about base access requirements, contact or visit the nearest Navy Visitors Control Center.

### WHAT IS THE HOMEFRONT PROGRAM?

HomeFront is a community-based home repair program that helps homeowners and community centers who are financially unable to maintain their homes/facilities. Repairs are made by sponsoring teams of volunteers at no cost to the recipients.

**Our next HomeFront Day is Saturday, May 2nd, 2020.**

2020 marks the 33<sup>rd</sup> annual HomeFront Day. We have operated in over 140 communities. Each year thousands of volunteers (many of whom are professional trades people) repair homes, shelters and community centers in Fairfield, New Haven, Hartford and Litchfield Counties in Connecticut, as well as Westchester County, New York.

### HOW ARE HOMES SELECTED?

HomeFront selects homeowners on the basis of individual needs, number of teams, and the available funds to support each project. With referral help from community service organizations, senior citizen groups, religious organizations, public service advertising and "word of mouth," HomeFront evaluates more than 700 applicants each year. The homes must be owner occupied. Candidates may apply at any time during the year. Home evaluation visits are conducted during the Fall and Winter months, with final decisions made by the end of April 2020. All work takes place on the first Saturday of May each year.

### WHAT REPAIRS ARE DONE?

The goal of HomeFront is to provide free construction repairs to homes and community centers focusing on the neediest circumstances. Our program staff and volunteers work "hand in hand" with the recipients to provide improvements and repairs that will be the most meaningful to them and have the greatest impact on their quality of life. Repairs include carpentry, plumbing, electric work, drywall, weatherproofing, roof repairs, lock repair, window replacement, installation of smoke detectors and fire extinguishers, painting, cleaning, and yard work, among others.

### WHO PAYS FOR THE REPAIRS?

HomeFront relies on contributions from companies, faith-based, civic and educational groups, as well as from individuals to cover direct costs of the program. In addition, local suppliers and manufacturers are asked to donate materials and professionals donate their services. There is no cost to the homeowner or community center to receive assistance from HomeFront.

### WHO CAN VOLUNTEER?

Volunteers come from all walks of life in a true vertical slice of our neighborhoods. Firemen, lawyers, accountants, business people, clerks, and delivery people all come together to help a neighbor in need. Simply put, if you have an interest in home repair and can lend a hand, we can use your help.

Young adults are welcome, too! Young adults, ages 14-17, can work with adult supervision according to a three-young-adults-to-one-adult ratio. Individuals are encouraged to volunteer by calling 1-800-887-HOPE (4673). Most volunteers are affiliated with a sponsoring organization.

Volunteers need not be skilled at home repair. Any talent can and will be put to use. Each team consists of 20 or more volunteers. Smaller groups of volunteers are welcome and will be assigned if a project calls for reinforcements.

Each team is led by a House Captain (frequently a building trades professional) and a Volunteer Coordinator. These leaders ensure a smooth implementation of the program on HomeFront Day.

### WHERE DO SKILLED VOLUNTEERS COME FROM?

Community-minded companies and individuals participate in the program by contributing their skills, equipment, trucks, tools and services, all of which are assigned to homes on an as-needed basis. Without our professional service volunteers (electricians, carpenters, tree surgeons, plumbers, etc.), many of these repairs could not be done.

### HOW CAN YOU BECOME INVOLVED?

Volunteers, both skilled and unskilled, are needed to work year-round at HomeFront to help with planning, organizing, and recruiting. Financial gifts and donations of products and services are greatly appreciated. Donations to HomeFront are tax deductible.

HomeFront is dedicated to reaching out to our neighbors in need. We believe that through the generosity and concern of many people in our cities and towns, we can restore HOPE to families and HELP to make our communities better and brighter places.

To volunteer, contribute, or recommend someone for help,  
please call HomeFront at 1-800-887-HOPE (4673).
