Bulletin No. 08

Comrades;

We are on part two of this term of office. We were all pumped up and full of vinegar but we are now falling down on the job. Let's **ALL** take a deep breath; now breathe in new energy and Get back to the task at hand.

MEMBERSHIP MEMBERSHIP MEMBERSHIP !!!

We have been supplied with new tools in the form of our Department Mobile APP. It has all the things you need to continue your mission; Membership rating, CPR, Post Data forms and all types of information. We have our MTF and Leadership and Learning going all out trying to assist posts in need of our help. Even if you don't need our help and you just want to beef up your post, we are here for you, because you learn we learn also.

As your Department Commander I have been trying to keep Connecticut in the forefront, in order to do this I need your help.

We have some outstanding Connecticut Legionnaires that are making us get noticed every day; National Americanism Chairman Richard Anderson, National World War I Centennial Commission John Monahan, NEC Joe Jackson to name a few. And many National Commissions and Committees members. We are being looked at for National Vice Commander and possibly a shot at a National Commander. Connecticut, we do not want to drop the ball or choke now. It is time for us to speed up and Press On!! April is Children and Youth month, let's get out and support the Kids Walk. Manny's Boys Scout program is in full swing. We are preparing for Boys State/Girls State, SPYW and Junior Shooting; add these to your activities. It has been a good year, we try to be an example that "Brand Awareness" works, but you the Posts have to lead and blow your own horn. We have a few Posts that are very good examples, let John Q know who we are and what we do! Let's keep Connecticut in the Light.

Short Note this month but you get the idea. Check the Bulletin and the web site.

Thank You for Your Service.
Connecticut on the Move!!!
P E A C E...!

Yours in Comradeship,

Louie Robinson

Bulletin No. 08

My Fellow Legionnaires;

Once again, another Target Date is fast approaching. We missed the last target by only tenths of a percent. I know that everyone is going to put the "spring" in the membership push so that we can make our next two targets 95% and 100%. Let's achieve those goals and more!!!

Not only is the year coming to a quick conclusion for Membership but our list on things that need to be completed.

Things that need to be done

- Post Data Sheets** - need to be into Department by April 15th 2017. Important, if dues increase is going to happen at the Post level next Membership year.
- Consolidated Post Reports** - Remember this is probably the most Important form that The American Legion uses to Compile all the Data for all that we do in our Communities, For our Veterans and Children and Youth. For all of our programs plus all the extras that have been done throughout the year.
- American Legion National College** - June 1st is cutoff date for Applications to be in for review. This is recommended to those that might have aspirations of moving through the Offices of the American Legion. It doesn't mean if you go to the College next year you can be Department Commander, there is a lot of other things to learn.
- Membership April Target 95%** - Remember this is a team effort. **ALL HANDS-ON DECK everyone is into this together, all working with an all for one and one for all attitude.** It doesn't do any good to sit back and criticize someone for what they do or don't do. It is your own fortitude in what you do that will make it possible to make our Goals.

If you put a check next to each Box, then we can and will reach our goals and objectives. The American Legion Family hand in hand will move forward to carry **THE LEGACY FORWARD!!!!!!!**

We can do 102% but it is up to you

For God and Country
Edward A DeGumbia
The American Legion
Department of Connecticut
Sr. Vice Commander

Boys State News

****HOT**** The dates for Boys State have changed. The new dates are **June 24 thru June 29 2017**. Due to the last snow storm and some schools having to extend their school year which consequently spilled over into the original dates of Boys State we felt it was the right thing to do to move the dates to allow maximum participation for all eligible students. New letters have been sent to all High Schools and Legion Posts; please help us spread the word, thanks.

Post Tax Reporting

Just a reminder, assuming that your tax year is the calendar year (01/01/2016 – 12/31/2016), and your post's gross receipts were \$50,000 or less, each post has until May 15th to go online and file Form 990-N. As long as your Post EIN is registered with Department & National HQ (and most are), this is a very simple process (unless you are filing one of the longer forms) that **MUST** be completed in order to maintain your Post's status as a Federal 501C (19) non-profit veterans organization.

Renewals and Post Data Forms

In order for any member to have their correct post information on their 2018 card, all transmittals must be at National NLT **April 15, 2017, which means your transmittal must be here at Department HQ by close of business on Tuesday, April 12th**. The data for the printing of the 2018 cards will be extracted from the member database on April 15th, with production beginning on or around April 21st. Timely transmittal of dues payments are always essential for a member to be properly served by their post and department, but this cut-off date has significant importance because it will ensure that a member will receive the most up-to-date information on their 2018 card, to include correct continuous years and post information. **Likewise, in order for 2018 dues notices to be correct, we must have all Post Data Forms by April 15th.**

State Police Youth Week

FINALLY! Yes, we are going to have a Sate Police Youth Week Program this year, after a long hard year of fundraising and negotiations we have achieved our goal. This was truly a team effort by all and I along with those involved would like to give everyone who either donated or helped in some way, a big heartfelt **THANK YOU** for all your support to make this happen, we couldn't have done it without you. Please spread the word, this year's program will be **July 23 thru July 29 2017**, the flyer and application are in this bulletin and on the website.

Please copy and share all Bulletin information as widely as possible!

Website News

GREAT NEWS!! We now have a mobile app for our website; unfortunately you are only able to download it through Google play store at this time. If you go to Google play store and type in **Dept of Connecticut** it will take you right to the app so you can download it. We are still in the process of finishing the application process with Apple and as soon as we are up and running I will put out the word so all those people with I Phones can download our app.

We also have added numerous pages to our website, so I encourage you to go on and explore what we have done. As we move forward the two items that we will be using more and more will be the **Department and Post Calendars**, everyone needs to get used to checking these on a regular basis because this is where we will be updating are information. We now have the capability to make changes instantaneously which makes our information as current as possible. We are also able to add Post events as they are sent to the office which allows individuals to see the information quickly and we have the capability to post information months in advance.

Please, check out our **Post locator**, we spent a lot of time working on this using Google Maps which will allow you to print directions for any post you are looking for. The one thing that we ask from every Post is that you keep us informed of any changes, especially those Posts that meet somewhere other than a Post home. If you change your meeting location we need to know about so we can update the Post locator.

Department Potpourri

The State Police Youth Week Committee would like to thank The Sons of The American Legion for their generous donation of \$4,500 towards the SPYW program.

National Convention – It's too early to start thinking about attending, if you are interested please visit our website and check out the fact sheet about where we are staying this year (Reno, NV). If you have any questions, please call our office. 860-436-9986.

Consolidated Post Reports (CPR) – All Post's should have received their CPR in the mail by now and should be actively filling them out. Please, even if you only have one thing to put down on the report write it down and send it back to headquarters by June 1st 2017. We are looking for a 100% reporting this year.

National American Legion College – If anyone has and interest to attend National's Legion College you can download the application on our website. It must be submitted by June 1st 2017 in order to be considered for submission to National. If you have a desire to run for a District or Department Officer position then I highly recommend that you consider trying to attend the college or at the very least completing the online course. If you have any questions don't hesitate to call us. 860-436-9986.

Prayer Concerns

Please remember to call or send an email to keep Department informed as to the status of our Legion family members.

AMERICAN LEGION CONNECTICUT STATE POLICE YOUTH WEEK

2017 ANNOUNCEMENT

The American Legion Department of Connecticut and the Connecticut State Police, announce their joint sponsorship of the 17th Annual State Police Youth Week. The program, a law enforcement practicum for high school students completing their JUNIOR YEAR in 2017 at an accredited high school in the state of Connecticut, will be held at the State Police Training Academy in Meriden, CT, from Sunday, July 23th, to Saturday, July 29th, 2017.

The program offers insight into the training, duties and expectations of Law Enforcement Officers. The program provides realistic experience, patterned after recruit training at the Connecticut State Police Academy, and affords individuals considering a law enforcement career the opportunity to gain knowledge of the professional life of a police officer.

Cadets will participate in a variety of mentally and physically demanding instructional sessions, including patrol techniques, the Connecticut Penal and Motor Vehicle Codes, criminal and accident investigation, firearms safety and training, water safety training, team-building and confidence training, defensive driving techniques, and other law enforcement skill training. Cadets will experience the daily activities of recruit training, including 5:15 reveille, physical conditioning, inspection of quarters, and participation in assigned details.

PTSD Retreat

With Guest Speaker Silouan Green

Silouan Green, A tragic jet crash while serving as a US Marine followed by a whole host of complications and medical conditions descended Silouan into the hell of post-traumatic stress disorder (or PTSD), depression, suicidal impulses, long-term pain, and a completely shattered life. It was here, staring into the abyss, that he was given a choice, continue down the same devastating path, or live free. He chose to live free.

The Ladder UPP helps you figure out where you are going. A tool for those in recovery, struggling with PTSD and depression, or just facing a difficult trial or transition in life. Join us on this retreat to learn how you can live free.

These retreats are about peace, calm, healing and just getting back to basics. There is ample time for quiet reflection, hiking, biking, kayaking or sitting around the camp fire. Lodging and meals are provided at no cost. Everything is FREE. Our retreats are a 100% alcohol and drug free. Transportation to or from retreat not included.
