Volume 17-18

April 2018

Bulletin No. 08

To Legionnaires All

As we start to enter the spring season and our visions of warm weather and being outside, it is also time to think about our American Legion programs that will soon be here. But as we plan for our upcoming program and events, let us not lose focus on the now issues that we have. Our membership goals have not been reached. As of the last report from National, the Department of Connecticut is in 36th position nationally and we are also almost 900 members shy of what we had last year at this time. This is an embarrassment to not only the Department leadership, because we have to answer to National, but to us all as members of this great organization. We all have opportunities throughout the year to meet and ask other veterans to join us in our cause to help other veterans and educate the children of our nation. I can truly say this year more than most we have offered help to everyone. We've had training sessions on important matters and the Membership Task Force has offered assistance to all Districts and Posts. A couple of Posts have reached for help and are on their way back to recovering. Dennis has offered round table training at any level and once again it is falling on deaf ears. We at the Department can only help and guide, not do all the work. These Posts are yours, take control and do what you must to survive.

There is a busy season ahead for the Governor's race. With as many candidates that are running there are going to be a lot of people around the State with different views than yours. Be respectful to one another's points of view. Please no American Legion attire, support whom you may but no legion attire. On Social Media the same goes. No rude and vulgar remarks, once you post something, remember it is there for Ever!!

CONSOLIDATED POST REPORTS How many have started them? If you do the electronic version you can update as needed.

The Department of Connecticut American Legion 100 year Birthday Gala will be November 10th 2018. Make your plans now. Fill out the forms send them in. Tickets are now on sale. Remember no monies will be taken at the door

April 2018

Bulletin No. 08

My Fellow Legionnaires:

I'm afraid that our department membership has once again fallen into the same state of malaise that we seem to fall into every year at this time. Our department membership goal of 90% has come and gone and yet we sit at 85.58%. This is just absolutely unacceptable! Our next target date for 95% is April 11 and we need just over 1,000 cards to meet that goal. As I've said before, once we fall behind it becomes twice as hard to catch up.

To the 49 posts and Districts 4 and 2 who have achieved 90% membership, many thanks! To the 50 posts (As of Mar 23) who have failed to achieve even 80%, what is the problem?? And I haven't even addressed the posts that rest between 80 and 90%. We published the monthly target dates some time ago and I challenged every post to meet those target dates. More than not have failed to meet those target dates and if it weren't for a number of posts that have overachieved and carried the department we would be in worse shape than we are today. That's just not fair to those posts that work so hard.

If posts think that they will have their quotas reduced next year based on this year's performance, think again. It's not going to happen! Such a practice is a slippery slope to nowhere. The bottom line here is that we have a lot of work to do. We were committed to 100% membership at the beginning of our membership year and we remain committed to that goal. It can be done but it will take a lot of work! We have to use all the tools at our disposal.

Our primary directive is to advocate for and serve our veterans and their families. It's as simple as that. If we fail to reach out to our expired members and recruit new members and communicate that "We care about you" we're failing at our primary mission!

I've said this before. The American Legion is founded on 4 pillars. Those 4 pillars need a solid foundation on which to stand proud, erect, and tall. That foundation is the Post and the foundation of the Post is membership!

So, let's all get with the program and accomplish our primary mission. We can do it. Let's take stock of what we do and rededicate ourselves to that end. We are strong! We are proud! We are the American Legion!

Please Remember "The Future is Now."

Tom Flowers

Senior Vice Commander, Dept. of Ct.

Post Data Forms

All Posts should have already received their Post Data form in the mail, please fill this out with any changes. We would also appreciate all Posts putting their post email, Facebook page and/or website information at the bottom of the form as we will put this into the Post directory. **We MUST have the Post Data Forms all back by April 13th.** *Please do not ignore. Also, please be aware that required dues transmitted to Department **must** also be at the **\$29.50** rate, so make sure your post dues are at least that amount.*

Consolidated Post Reports & Consolidated Squadron Reports

CPR Forms were mailed on March 26, 2018 along with CPR's for any Post that has a SAL Squadron. This is the eleventh year for the Consolidated Squadron Report and copies should be returned directly to Department Headquarters by June 8th. **For the 10th year:** If you prefer, you may download a fillable version off of our website or request it via email, which you then may save on your computer. Electronic versions must be returned to Department HQ (NOT National) via email (or snail mail). You can also enter your data (directly to National) via myLegion.org. All CPR Forms must be in Department HQ by June 8th.

Website Updates

We have added a **Join a local Post** feature that will allow potential new members to give us their information which we will forward to the Post of their choice. The Post will then contact the individual and let them know what additional information they will need such as; proof of military

Please copy and share all Bulletin information as widely as possible!

service (DD214 or equivalent). They will also let them know what their annual dues are and they will let them know when their monthly meetings are held.

Please click on this link: [American Legion Dept. of CT Membership Application](#) to start the process.

Boys State

Boys State mailings have gone out to the Posts and Schools; you should already be working the program and making contact with your local schools. If your post has not sponsored a high school student to Boys State before please consider doing it this year, we have several students looking for posts to sponsor them; you may be one of the Posts that we are looking for to step up and sponsor a boy. This is a great opportunity for your Post to get involved in a Legion program if you are not actively involved in any Legion programs, this is what we are all about, and we can help you get financial assistance from your local communities if that is what is holding you back, just contact us.

Post Tax Reporting

Just a reminder, assuming that your tax year is the calendar year (01/01/2017 – 12/31/2017), and your post's gross receipts were \$50,000 or less, each post has until May 15th to go online and file Form 990-N. As long as your Post EIN is registered with Department & National HQ (and most are), this is a very simple process (unless you are filing one of the longer forms) that *MUST* be completed in order to maintain your Post's status as a Federal 501C (19) non-profit veterans organization.

Renewals

In order for any member to have their correct post information on their 2019 card, all transmittals must be at National NLT **April 13, 2018, which means your transmittal must be here at Department HQ by close of business on Wednesday, April 11th.** The data for the printing of the 2019 cards will be extracted from the member database on April 16th, with production beginning on or around April 20th. Timely transmittal of dues payments are always essential for a member to be properly served by their post and department, but this cut-off date has significant importance because it will ensure that a member will receive the most up-to-date information on their 2019 card, to include correct continuous years and post information

State Police Youth Week

State Police Youth Week has been confirmed and will be held July 8-14, 2018. The flyer and application have been sent to your local schools and is available on the Department Website.

Department Convention

Department Convention is just around the corner July 13-15; this year we will switch to a new format which will essentially eliminate Thursday altogether and we will start our program on Friday and end on Saturday, both days will be longer days and the D.E.C. meeting will be held on Sunday morning. We hope the new format will spark some interest and allow some of our members to attend who otherwise were unable to before because of work or some other reason. We look forward to seeing you at this year's convention and at future conventions.

Please copy and share all Bulletin information as widely as possible!

National Convention

National Convention will be August 24-30 in Minneapolis, Minnesota this year, the registration forms are already posted on our Department website. If you are interested in being a delegate get with your district leadership and find out how you can become a delegate. If you have never been to a National Convention and would like to be a guest you can contact our office to find out the details.

Department Potpourri

National American Legion College – If anyone has an interest to attend National's Legion College you can download the application on our website. It must be submitted by June 1st 2018 in order to be considered for submission to National. If you have a desire to run for a District or Department Officer position then I highly recommend that you consider trying to attend the college or at the very least completing the online course. If you have any questions don't hesitate to call us. 860-436-9986.

Please remember to call or send an email to keep Department informed as to the status of our Legion family members.

Please copy and share all Bulletin information as widely as possible!

Why Are the Younger Veterans Avoiding the Veteran Service Organizations?

By Les Davis • 03/02/16 1:46pm

Before I researched why the post-Vietnam generation of Veterans were not joining Veteran Service Organizations (VSO), I asked myself, “Why wouldn’t veterans want to be around other veterans?” Truly, participating in a VSO provides a unique opportunity to serve our community with people from all walks of life, and also offers the opportunity to share the bond and camaraderie that melds us together as proud United States Veterans.

After months of research, most of which involved visiting many VSOs in several states, the answer became obvious: In all of the VSOs that I had the pleasure of

visiting, I found that VSOs are standing by and waiting for this younger generation of veterans to just walk in and join like their fathers and grandfathers before them. And this appeared to be the “marketing strategy” to bolster membership in many, if not all, of the VSOs. Many VSOs rely solely on their names to entice these young veterans to show up and join, and most have a marketing campaign that hasn’t quite made it into the 21st Century. And quite frankly, some of the messaging is a little misleading. For example, I remember getting a package from a VSO that looked like an official government envelope until I opened it and discovered much to my dismay that this official-looking correspondence was in fact a membership package. I thought the **BOLD RED** ink demanding some type of action was a little over the top. When I read “send money along with application and you will receive a multi-tool with your new membership”, I decided to throw the whole envelope away.

The current VSO image and what the younger veteran generation think about local VSOs is real; they see a building with a couple windows, a dimly lit smoke-filled room with a pool table or darts with “Bingo Night” being boldly advertised as the biggest event happening at that particular location. How do we get the younger veterans to be part of that? The answer is we don’t. WE MUST CHANGE. The thought that eventually the younger veterans will join because they are missing the camaraderie is a false notion. There are too many newer and younger VSOs that have popped-up in the recent years for them to join leaving a vast number of VSOs competing for membership from a much smaller pool of veterans.

The one positive aspect from the VSOs, one that no one can take away, is that they have held firm in the support of the various veteran issues in Washington, D.C. for decades, and have dedicated much of their efforts in resolving very troubling veteran issues involving the Veterans Administration that have surfaced in recent years. The more established veteran service organizations have a voice with the Congress and President regardless of the dominant political party. Senators, Representatives, and Presidents have made speeches at VSO national conventions because politicians know that they need the support of these Veteran Service Organizations. Politicians listen to them because of the membership numbers which unfortunately are declining.

What positive actions can the VSOs take to build membership? After talking to Desert Storm, OEF and OIF veterans over the past 9 years, I suggest the following 12 common sense steps to appeal to that younger generation of veterans who are the very life-blood of the existing VSOs:

1. Be honest and transparent when sending out material to attract new members. Educate the younger veteran generation by conveying to them what you have accomplished locally and nationally to ensure that veteran issues stay at the forefront of the discussion. Show them that you are making a difference. Let them know about your whole organization, not just a narrow scope of membership and money.
2. Treat all veterans equally. Both men and women have served honorable in the Armed Forces. To assume only men deployed or served is backwards thinking, and has no room in today's VSO.
3. Update posts with free WIFI, offer video gaming like an XBOX or PlayStation 4, and install flat screen TVs, and select programming, such as sports programming, that would appeal to all veterans
4. I know the more seasoned veterans have life experience and perhaps a different frame of reference. But we should never think that the younger generation is any different. As a leader, I've always welcomed new ideas from everyone, and the younger veterans are full of ideas-just as we were at that age. You should embrace their energy and let them share their ideas about improving your post; you will be pleasantly surprised with the innovative ideas that they come up with. Be open to these new ideas.
5. Welcome all veterans into your post. When you see someone new walk in, welcome them with open arms, make them feel like they are part of your post and have found a new family and friends. And don't criticize the way they look now or their time in service. If you're welcoming, we may overlook the stale beer smell and nicotine stained walls and windows and stay for a while.
6. Keep your meetings short and to the point. If you have younger veterans at your post, assign them a task during the meeting and ask them to work with the membership and complete it. Get them involved in the administration of your VSO and encourage their involvement. The younger generation, especially the

millennials like to solve problems by working and teaming with a group. This is a prime opportunity for the VSO leadership to mentor those younger veterans. Be patient. Some of these young veterans suffer from a malady of challenges, such as Traumatic Brain Injury.

7. Turn your post or part of your post into a community type of center. Our younger veterans want a place to network, drop their child off for daycare, or do homework.
8. Turn your post into a place where veterans can network with the community. Invite local business owners, company executives, your local college Veteran's Representatives, or members of the local Chamber of Commerce to speak at your meetings.
9. Don't be afraid to work with other veteran organizations within your community. Build a strong support network for all veterans.
10. If you have a post close to a military base, begin working with the base transition office or AW2/AF2/USMC Wound Warrior Regiment or the Navy's Safe Harbor Program. These once flourishing programs have had their share of budget cuts, but the mission remains the same. This is where VSOs could make a positive impact with the base leadership as well as the surrounding veteran population.
11. Introduce yourself and your post to your local Guard and Reserve centers. Most of the members live, work, and shop in your community.
12. Sign up for and attend every veteran event that you can. Make sure the people in your community know that you are the person and post to contact when it comes to supporting veterans. Talk the talk and walk the walk.

AMERICANISM

DEFINITIONS

AMERICANISM is love of America; loyalty to her institutions as the best yet devised by man to secure life, liberty, individual dignity and happiness; and the willingness to defend our Country and Flag against all enemies foreign and domestic.

AMERICANISM is a vital, active, living force. Americanism means peace, strength, the will and the courage to live as free men in a free land. It means a friendly hand to people everywhere who respect our institutions and our thinking. It is not a word; it is a cause, a way of life, a challenge and a hope in this world of turmoil.

AMERICANISM is a way of life, the best way of life ever known.

AMERICANISM is an ideal of loyal patriotism, religious tolerance, righteous freedom, fearless courage, honest integrity, abiding faith in the commanding destiny of the United States and a fathomless love for the principles, which led our forefathers to found this country.

AMERICANISM is a complete and unqualified loyalty to the ideals of government set forth in the Bill of Rights, the Declaration of Independence, and the Constitution of the United States. It is respect for, and ready obedience to, duly constituted authority and the laws of the land. It is freedom without license, religion without bigotry, charity without bias or race hatred, love of flag, and readiness to defend that for which it stands against every alien subversive influence without or within.

AMERICANISM is an unfailing love of country, loyalty to its institutions and ideals; eagerness to defend it against all enemies; individual allegiance to the Flag; and a desire to secure the blessings of liberty for ourselves and posterity.
