Bulletin No. 10

Comrades;

Memorial Day has come and gone. The heavens were not so giving as far as the weather, but none the less the flags still fly over the grave of those whom have gave their all in the fight of Freedom and to those brothers and sisters that have gone beyond. Preserve their Memories, let them not be forgotten.

We have reached a time of the year that we seem to have given up on getting Membership. I was asked why you drive the point of membership so hard. Well first of all it is a simple answer, because it is our LIFE LINE without Membership we will no longer exist as an Organization. I applaud the Posts that have met or exceeded their goals. I can only wish that other Posts would follow your leads.

Boys and Girls State is just around the corner. I hope that every boy or girl that applied has the chance to attend. These programs are in many ways life changing experiences for these future Leaders. Friendships will be made that will last a life time!

Elections are now happening across the Department in Post and Districts, once again try to elect people whom will go out and promote the Legion's core principles and programs. Carry that Legacy forward so all will know.

Convention is next month. Remember that the format has changed. We now are going to have a two day Convention (Friday and Saturday), which means the days will be more active and we hope to get more members to attend without missing work. Hope to see you there.

Bulletin No. 10

My Fellow Legionnaires:

The 2017-2018 membership year IS NOT OVER! While our 100% target date with National has come and gone, we still have the ability to attract new members and renew our delinquent members via personal contact. Here are some cold, hard facts.

-At this time we have 17,494 members confirmed with National. At this time last year we had 18,183.

-According to National, we rank 48<sup>th</sup> out of 54 Departments. That's as low as we've ever been and it is absolutely embarrassing to say the least. We're better than that!

-In spite of our National position, we are down 695 members' year over year. That's pretty consistent with our decline over the last number of years.

-If we continue this trend the Department will cease to exist as we know it today as our membership revenue fails to meet our expectations.

With all this bad news it's important to recognize those posts and districts that have worked hard to show positive results. Unfortunately, they are in the minority but we owe it to them to recognize their hard work.

We hope to see you all at our Department Convention in July. Please come with a renewed dedication and commitment to restore the Connecticut Legion to its rightful place in the National Organization!

Remember: "The Future is Now."

Tom Flowers  
Senior Vice Commander  
The Department of Connecticut

Sitting proudly on Rt. 154 entering Chester are Chester's War Memorials. Dedicated in 1939, the World War I memorial features a granite doughboy figure atop a monument listing local veterans. In 2004, American Legion Post #97 unveiled an elegant granite monument honoring Chester residents who served in World War II, Korea, Vietnam and post-Vietnam conflicts.

*They shall grow not old, as we are left grow old, age shall not weary them, nor the years condemn, at the going down of the sun and in the morning, we will remember them.*

You only need to visit other towns in Connecticut to see what a dignified and stately memorial this is for the size of Chester.

Over the years maintenance and minor repairs have been funded by the Town of Chester, volunteers and American Legion Post #97. But fourteen years have taken their toll on our Memorial. Post #97 members have identified some issues that need to be addressed – most importantly is the fence on the front perimeter of the memorial. The pressure treated wooden fence is rotting away and needs to be replaced. Plans are to use granite posts and black chain which will be less susceptible to the weather.

We are asking the help of our residents and friends to donate towards the replacement of the fence and ensure the memorial remain a proud focal point. Any contribution, however small, will be welcome. Donors may request to be added to a donor list that will be published in the local paper at the conclusion of our project.

This memorial at the entrance to Chester holds an honored position and completing these repairs will ensure it remains so for many years.

Our goal is \$6,000 for needed repairs to Chester's War Memorial. If more funds are donated then what covers the price of supplies and installation of the fence, we will use those funds to repair the flagpoles. All donations are tax deductible.

Thank you.
